EPA's smart growth work helps communities grow in ways that expand economic opportunity while protecting human health and the environment.

Smart Growth | US EPA

The Pueblos or Pueblo peoples, are Native Americans in the Southwestern United States who share common agricultural, material and religious practices. When Spaniards entered the area beginning in the 16th century, they came across complex, multi-story villages built of adobe, stone and other local materials, which they called pueblos, or towns, a term that later came to refer also to the ...
