An old wives' tale is a supposed truth which is actually spurious or a superstition. It can be said sometimes to be a type of urban legend, said to be passed down by older women to a younger generation. Such tales are considered superstition, folklore or unverified claims with exaggerated and/or inaccurate details. Old wives' tales often center on women's traditional concerns, such as pregnancy, puberty, social relations, health, herbalism and nutrition.

"Your precaution is very reasonable," said the old woman. "But I am your old nurse, so surely you will not refuse to show me the arm. I have only just heard of your brave act, and not being able to wait till the morning I came at once to ask you to show it to me." Watanabe was very troubled at the old woman's pleading, but he still ...
