Racism is the belief in the superiority of one race over another, which often results in discrimination and prejudice towards people based on their race or ethnicity. The use of the term "racism" does not easily fall under a single definition. The ideology underlying racism often includes the idea that humans can be subdivided into distinct groups that are different due to their social behavior ...

The U.S. is essentially a nation of immigrants. The U.S. is also a nation of many contradictions. Even though polls show large public support for SB 1070 and other xenophobic laws, this does not legitimize this immoral law. Throughout U.S. history, many racist, xenophobic laws occurred. Even though most of the laws below were legal in their time, the majority of Americans would not support ...

5 Comments. Lynda April 12, 2008 @ 5:13 am. Doug, I think there was a Jewish holocaust during the second world war. There is increasing evidence that the Zionist executive intended to offer a holocaust of European Jews (at the hands of the Nazi state) who did not obey the summons to "return"™ to the land of Israel and settle the land.
