### **List of Buddhist temples - Wikipedia**

Buddhist temples are, together with Shinto shrines, considered to be among the most numerous, famous, and important religious buildings in Japan. The Japanese word for a Buddhist temple is *tera* (寺) (kun reading), and the same kanji also has the pronunciation *ji* (on reading), so that temple names frequently end in *-dera* or *-ji*. Another ending, *-in* (院), is normally used to refer to minor temples.
