Dehumanization or an act thereof can describe a behavior or process that undermines individuality of and in others. [citation needed] A practical definition refers to it as the view and treatment of another person as if they lack mental capacities that we enjoy as human beings. Here, every act or thought that treats a person as less than human is an act of dehumanization.

Play is a range of voluntary, intrinsically motivated activities done for recreational pleasure and enjoyment. Play is commonly associated with children and juvenile-level activities, but play occurs at any life stage, and among other higher-functioning animals as well, most notably mammals.. Many prominent researchers in the field of psychology, including Melanie Klein, Jean Piaget, William ...
