William Lane Craig is a prolific Christian philosopher, apologist, author, and public debater. He is the best debater "on any topic" that I've ever heard. As far as I can tell, he has won nearly all his debates with atheists. When debating him, atheists have consistently failed to put forward solid arguments, and consistently failed to point out the flaws in Craig's arguments.

Based on Jewish law's emphasis on matrilineal descent, even religiously conservative Orthodox Jewish authorities would accept an atheist born to a Jewish mother as fully Jewish. A 2011 study found that half of all American Jews have doubts about the existence of God, compared to 10-15% of other American religious groups.

You do realize that Christians will not turn because of ad hominem insults from nonbelievers, I trust? Surely there's an atheist website you can haunt where beliefs about the fruitlessness of belief and debates about the non-debatable non-existence of God will be supported and coddled to the extreme?

The theory of evolution proposes an explanation for how life in general and mankind in particular arose. It holds that that there was a long period in which natural processes gave rise to life and to the different life forms on earth. This in no way conflicts with the idea of God. As the omnipotent ...
