

### **atlantic creoles in the pdf**

An English-based creole language (often shortened to English creole) is a creole language derived from the English language, for which English is the lexifier. Most English creoles were formed in British colonies, following the great expansion of British naval military power and trade in the 17th, 18th and 19th centuries.

Creole people are ethnic groups which originated during the colonial-era from racial mixing between Europeans and non-European peoples, known as creolisation. These groups are typically descended from White Western European colonial settlers, West Africans, Haitians and indigenous peoples of the Americas, Africa, and Asia. Creole peoples vary widely in ethnic background and mixture, and many ...

Introduction. Research on dialogue is concerned with the study of how communication takes place through language in conversation. This involves, among other things, investigating what makes a dialogue coherent; how dialogue participants coordinate to take turns in speaking and to achieve mutual understanding; and how knowledge about how dialogue works can be used to design artificial agents ...
