

babylon 5 rpg earth pdf

Setting. Babylon 5, set primarily between the years 2257 and 2262, depicts a future where Earth has a unifying Earth government and has gained the technology for faster-than-light travel. Colonies within the solar system, and beyond, make up the Earth Alliance, which has established contact with other spacefaring species. Ten years before the series is set, Earth itself was nearly defeated in ...

The Shadows are a fictional alien species in the science fiction television series Babylon 5. Their homeworld is Z'ha'dum, although whether it is the world they originated from is uncertain, and they were the second race among the First Ones to be discovered and nurtured by Lorien, the "First One". In contrast to the Vorlons, whose philosophy is represented by the question "Who are you?", that ...
