In the United States militia movement, black helicopters is a symbol and a alleged conspiratorial military takeover of the United States, though it has also been associated with UFOs, men in black, and similar conspiracies. Rumors circulated that, for instance, the United Nations patrolled the US with unmarked black helicopters, or that federal agents used black helicopters to enforce wildlife ...

Conspiracy Theorists live in fear of the Men In Black. They know too much.. Despite being the symbolic presence of The Oppression Of The Man, The Men in Black have the mystique of being badass and Cool, so heroes can be associated with them. In those cases they are merely protecting panicky Muggles by doing what's ultimately best. Watch out for Conspiracy Redemption if they go too far, though.
