### **WebAssign - Chemistry Textbooks**

Written for the students who have little or no background in chemistry or have had too many years pass since their course work. The author states, "The text's purpose is to give students the background (and confidence) needed for a subsequent successful encounter with a main sequence college level general chemistry course."

### **Introduction to Chemical Principles, Fifth Edition (Stoker**

Although Chemical Principles is intended for students with solid mathematical preparation and prior exposure to chemistry, the author does not assume that students have a sophisticated grasp of chemical concepts.. Approximately 20 percent of the boxed essays are new, presenting everyday applications of chemistry with an emphasis on engineering applications.
