Corporate Governance Principles and Recommendations with 2010 Amendments 2nd Edition ASX Corporate Governance Council

Corporate Governance Principles and Recommendations with

Corporate governance is the collection of mechanisms, processes and relations by which corporations are controlled and directed. Governance structures and principles identify the distribution of rights and responsibilities among different participants in the corporation (such as the board of directors, managers, shareholders, creditors, auditors, regulators, and other stakeholders) and include ...

Brealey/Myers' Principles of Corporate Finance is the worldwide leading text that describes the theory and practice of corporate finance. Throughout the book the authors show how managers use financial theory to solve practical problems and as a way of learning how to respond to change by showing not just how but why companies and management act as they do.
