Infor is a multi-national enterprise software company, headquartered in New York City, United States. It is the largest privately held technology provider in the world. Infor focuses on business applications for organizations delivered via cloud computing as a service. Originally focused on software ranging from financial systems and enterprise resource planning (ERP) to supply chain and ...

Infor - Wikipedia

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...

Management - Wikipedia

This typology breaks down the traditional boundaries between the nonprofit and private sectors and draws definition to this new institutional animal--part business-part social--the social enterprise. In doing so, the typology explores how institutions have combined a mix of social values and goals with commercial business practices and how they have come up with ownership models, income and ...

For more than a decade, PAS Report No. 483/484, Planning for Post-Disaster Recovery and Reconstruction, has served as the major resource to which planners and emergency managers turn for basic principles and policies governing the practice of planning for long-term community recovery after disasters. Thousands of copies have circulated nationwide and around the world.

Planning for Post-Disaster Recovery: Next Generation

Mission. The Water Resources Agency manages, protects, stores and conserves water resources in Monterey County for beneficial and environmental use, while minimizing damage from flooding to create a safe and sustainable water supply for present and future generations.
