Re: The Fabric of Terror: Three Days in Angola - Bernardo Teixeira. On the morning of March 15, 1961, some fifty places over a 400-mile front were attacked as part of a plan carefully prepared by the communist-backed terrorist "liberation movement" in Angola, then a Portuguese province. The terrorists, primed with drugs,...

3. The root causes of terrorism In this study, I perceive and consider terrorism "as a response"™ to the existing political system. In other words, terrorism is seen as political and as politically motivated actions. "It is a strategy rooted in political discontent, used in the service of many different beliefs and doctrines that help
