

family kinship and marriage pdf

Marriage Family and Kinship. Marriage. It has been generally assumed that the institution of marriage is a universal feature in human societies. Although many sociologists and anthropologists have attempted to provide definitions of marriage, none of them has been satisfactorily and sufficiently general enough to encompass all its various manifestations.

Marriage, Family and Kinship, Types of marriages, Rules of

this interdependence through relationships of marriage, family, kinship, and friendship. How we are related to others is a central concern to all of us, though we rarely reflect on it. 2. Marriage is a social process that creates new relationships by transforming the status of the partici-
