The 1970s represented an unusually productive and innovative period for the horror film, and John Carpenter's "Halloween" (1978) is the film that capped that golden age - and some say ruined it, by ushering in the era of the slasher film. Considered a paradigm of low-budget ingenuity, its story of a ...

devil'sadvocate.This person should be given an unambiguous assignment to present this arguments as cleverly and convincingly as he can, like a good lawyer, challenging the testimony of those advocating

### **The use of devil's advocates in strategic decision-making**

Halloween was thought to be the most favorable time for divinations concerning marriage, luck, health, and death. It was the only day on which the help of the devil was invoked for such purposes. The Celts believed in the pagan doctrine of an Immortal soul and Samhain was a time when the veil between the world of the Living and the world of
