Business Administration, with tracks in Finance, Marketing

Definition. Marketing is defined by the American Marketing Association as "the activity, set of institutions, and processes for creating, communicating, delivering, and exchanging offerings that have value for customers, clients, partners, and society at large." The term developed from the original meaning which referred literally to going to market with goods for sale. From a sales process ...

Marketing - Wikipedia

We present a composition-based logic toward international expansion by emerging market firms (EMFs) – firms that use compositional investment, compositional competition, and compositional collaboration to create a unique competitive advantage in global competition. This view explains how EMFs creatively adopt a composition-based international strategy, enabling them to compensate for their ...

Contextualizing international strategy by emerging market

Global marketing is –marketing on a worldwide scale reconciling or taking commercial advantage of global operational differences, similarities and opportunities in order to meet global objectives" .. Global marketing is also a field of study in general business management to provide valuable products, solutions and services to customers locally, nationally, internationally and worldwide.

3M Strategy and Marketing Development (SMD) Program

The research model is shown in Fig. 1. Integrated information technologies and supply chain integration (the core constituents of an integrative supply chain strategy) are modeled as antecedents of customer service and financial performance. Of key interest in this research is whether the relationship between supply chain integration and financial performance is direct, indirect (i.e. ...

7 October 2013 | By Estelle Metayer. Analysis is often where the ball drops as far as competitive intelligence analysts are concerned. Yet this is the only way the team can truly extract insights from the data and the intelligence gathered, and have a chance to play a role in the company's strategic planning process.
