V. C. Andrews' first novel, Gods of Green Mountain, got this in a way; written sometime in the 1970s, it was supposed to be split into three books and published in 1986, but wasn't (presumably due to Andrews' death that year). It seems that her publisher and estate sat on it for almost 20 years, and when it was finally published, it was as an ebook in 2004, when ebooks weren't as widespread.
