

### **mind games american culture pdf**

Mind control has proven a popular subject in fiction, featuring in books and films such as *The Manchurian Candidate* (1959; film adaptation 1962) and *The IPCRESS File* (1962; film 1965), both stories advancing the premise that controllers could hypnotize a person into murdering on command while retaining no memory of the killing. As a narrative device, mind control serves as a convenient means of ...

African-American culture, also known as Black American culture, refers to the contributions of African Americans to the culture of the United States, either as part of or distinct from mainstream American culture. The distinct identity of African-American culture is rooted in the historical experience of the African-American people, including the Middle Passage.
