Adobe Photoshop is a raster graphics editor developed and published by Adobe Inc. for macOS and Windows. It was originally created in 1988 by Thomas and John Knoll. Since then, it has become the de facto industry standard in raster graphics editing, to the point that it has also become a generic trademark leading to its use as a verb such as "to photoshop an image", "photoshopping", and ...

In my role as moderator of the member forums over at the National Association of Photoshop Professionals Website, I routinely help struggling users to come to grips with the powerful, yet temperamental program we all love. Some of the most common problems are the easiest to solve, but like many technical problems, the answer often lies in knowing how to ask the question.
