Guiding Principles on Business and Human Rights

The United Nations Guiding Principles on Business and Human Rights (UNGPs) is an instrument consisting of 31 principles implementing the United Nations "Protect, Respect and Remedy"™ framework on this issue of human rights and transnational corporations and other business enterprises. Developed by the Special Representative of the Secretary-General (SRSG) John Ruggie, these Guiding ...

United Nations Guiding Principles on Business and Human

Human resource management (HRM or HR) is the strategic approach to the effective management of people in an organization, so that they help the business gain a competitive advantage. Commonly known as the HR department, [by whom?] it is designed to maximize employee performance in service of an employer's strategic objectives. [need quotation to verify] HR is primarily concerned with the ...

Herbert Spencer. The Kybalion's chapter on the Divine Paradox mentions Herbert Spencer who was an English philosopher, prominent classical liberal political theorist, and sociological theorist of the Victorian era. Spencer developed an all-embracing conception of evolution as the progressive development of the physical world, biological organisms, the human mind, and human culture and societies.
