1920s: Birth of Shidaiqu in Shanghai. Mandarin popular songs that started in the 1920s were called shidaiqu (æ™,ä»£æ² - meaning music of the time, thus popular music), and Shanghai was the center of its production. The Mandarin popular songs of the Shanghai era are considered by scholars to be the first kind of modern popular music developed in China, and the prototype of later Chinese pop song.

Music of China refers to the music of the Chinese people, which may be the music of the Han Chinese as well as other ethnic minorities within mainland China. It also includes music produced by people of Chinese origin in some territories outside mainland China using traditional Chinese instruments or in the Chinese language. It covers a highly diverse range of music from the traditional to the ...

Established in 1994, The Course offers exciting Art History, Literature and Music lectures. In this 8 part series, we will see how in the European tradition, the status of "fine art" tends to be much higher than that of the "decorative arts" though the beauty and virtuosity of the latter can be spell-binding.
