Relationship between Strategic Human Resource Management and Firm

Relationship between Strategic Human Resource Management

In military theory, strategy is "the utilization during both peace and war, of all of the nation's forces, through large scale, long-range planning and development, to ensure security and victory" (Random House Dictionary).The father of Western modern strategic study, Carl von Clausewitz, defined military strategy as "the employment of battles to gain the end of war."

Benchmarking improves performance by identifying and applying best demonstrated practices to operations and sales. Managers compare the performance of their products or processes externally with those of competitors and best-in-class companies, and internally with other operations that perform similar activities in their own firms.
