Gris-gris, also spelled grigri, and sometimes also "gregory" or "gerregery", is a Voodoo amulet originating in Africa which is believed to protect the wearer from evil or brings luck, and in some West African countries is used as a method of birth control. It consists of a small cloth bag, usually inscribed with verses from the Qur'an and containing a ritual number of small objects, worn on the ...

Up to the time of the publication of the Principia in 1687 the method of fluxions which had been invented by Newton, and had been of great assistance to him in his mathematical investigations, was still, except to Newton and his friends, a secret. One of the most important rules of the method forms the second lemma of the second book of the Principia.

A Farewell to the Emmaus Road. David N. Bivin 2017 Jan 13 Articles 9 Comments. Despite the Israel Antiquities Authority's call to action, little has been done to preserve the ancient remains of a Roman road that are still visible in the area where Jesus traveled with two of his disciples on the day of his resurrection.
