conservation".7 In other words, methodological conservatism is not a claim about complete preservation and turning the world into a museum but about the nature, or if you like, the process of political change.

### **Comprehending conservatism: A new framework for analysis**

The Nature Conservancy has pioneered new land preservation techniques such as the conservation easement and debt for nature swaps. A conservation easement is a way for land owners to ensure that their land remains in its natural state while capitalizing on some of the land's potential development value.

### **The Nature Conservancy - Wikipedia**

Oakeshott argues that "conservatism is not a creed or a doctrine, but a disposition to enjoy the present (On Being a Conservative)" part of human nature, not an abstract political idea or ideal, let alone an ideology.

### **Conservatism (Stanford Encyclopedia of Philosophy)**

Conservatism did dominate the European political agenda through the mid-1820s. Major governments, even in Britain, used police agents to ferret out agitators. The prestige of the Roman Catholic church soared in France and elsewhere. Europe's conservative leader was Prince von Metternich, chief minister of the
