Another great invention is a PDF to Excel converter. By using this innovative technology, you can increase the effectiveness of your flow chart. You can convert PDF files to Excel, or you can take your finished flow chart and convert it into a Word document or PDF document to add it to a report or a presentation.

The Formula For Success: Creating An Invention Process

A patent is a form of intellectual property. A patent gives its owner the right to exclude others from making, using, selling, and importing an invention for a limited period of time, usually twenty years. The patent rights are granted in exchange for an enabling public disclosure of the invention. In most countries patent rights fall under civil law and the patent holder needs to sue someone ...
