In computer science, an associative array, map, symbol table, or dictionary is an abstract data type composed of a collection of pairs, such that each possible key appears at most once in the collection.. Operations associated with this data type allow: the addition of a pair to the collection; the removal of a pair from the collection; the modification of an existing pair

Associative array - Wikipedia

Can you recomend any PDF API for C#. Free is the best, but i dont mind paying for it.
