

tolkien return of the pdf

Title. Tolkien conceived of The Lord of the Rings as a single volume comprising six "books" plus extensive appendices. The original publisher split the work into three volumes, publishing the fifth and sixth books with the appendices into the final volume with the title The Return of the King. Tolkien felt the chosen title revealed too much of the story, and indicated he preferred The War of ...

The Return of the King - Wikipedia

Overview. The Silmarillion, like Tolkien's other Middle-earth writings, was meant to have taken place at some time in Earth's past. In keeping with this idea, The Silmarillion is meant to have been translated from Bilbo's three-volume Translations from the Elvish, which he wrote while at Rivendell. Chapters in the book include: "The Music of the Ainur" ...
