### Conférences Apprendre à Apprendre avec Tony Buzan le 11 août

iMindMap is mind mapping software from Tony Buzan, the person who first popularized mind maps in the 1970s. He first came to prominence with a series of television programs made by the BBC in the United Kingdom and followed that up with a number of books about mind mapping and other memory improvement techniques.

### iMindMap Review: Detailed Look At Tony Buzan's iMindMap

Although the term "mind map" was first popularized by British popular psychology author and television personality Tony Buzan, the use of diagrams that visually "map" information using branching and radial maps traces back centuries. These pictorial methods record knowledge and model systems, and have a long history in learning, brainstorming, memory, visual thinking, and problem solving by ...
