Hey Google: Instead of spamming the known universe with Adwords coupons for "new accounts only", why don't you let new advertisers actually run some ads for once?. There's something completely broken with the logic of doing everything in your power to bring new businesses to Adwords, then arbitrarily making them pay a "newbie tax" combination of high bids/low Quality Score before ...

For the 2010 campaign, McMillan filed petitions to appear on the Democratic primary ballot and the Rent Is Too Damn High line. However, he put very little effort into the Democratic petitions, and the vast majority of the 13,350 signatures bearing his name were collected by Randy Credico, who had partnered with McMillan for a joint Democratic petition.

I have a question for people who know Tenerife.. Can you name a pretty fishing village/town on Tenerife? I can't think of a single one. Not pretty in the way Greek fishing villages are drop dead gorgeous with quaint harbours filled with turquoise water where bobbing fishing boats are the same colour as those intensely deep blue skies.

2. Wage trends of the last three decades The gap between the growth of productivity and that of a typical worker's pay. Slow and unequal wage growth in recent decades stems from a growing wedge between overall productivity—the improvements in the amount of goods and services produced per hour worked—and the pay (wages and benefits) received by a typical worker.

In 1980 I became convinced that speed reading could become a universal skill for all children if it were just made available in the right way to the general public. At that time the only speed reading courses available were those which cost hundreds of dollars per student. Also, these same courses were directed at adults (mostly college students and business owners).
