Contained in the UFO How-To series are the technical layouts for aerospace craft that anyone can access and build. You can be a part, maybe even a leader, in the coming economic expansion into space industries. How UFOs Work. Mankind has the ability to build UFOs. The answer to How UFOs work has been released to the public by the government.

How UFOs Work - Tuks

The wording "Advanced Aerospace Threat and Identification Program" is interesting as it's the same that Reid used in his letter on the second paragraph, which looked like a typo (like AAITP after it), especially since that extra "and" in the middle wasn't in the attachment page of his letter.
